## **Youths traveling alone to Berlin**

You want to experience Berlin without your parents? No Problem. If you are 14 or older you can stay with us at Industriepalast Hostel.

As your parents or legal guardians are responsible for you until your 18th birthday you will need their permission. Please bring the following with you:

- Travel authority (see attached)
- Your passport or I.D.
- Photocopy of the passports of your parents or legal guardians
- Telephone numbers of your parents or legal guardians
- Enough cash for your booking as we can't accept a credit card or debit card payment from you.

Should you or your parents have any questions we are open 24 hours so feel free to contact us.

Your Industriepalast Team.
